Bright split two-bedroom, two-bath apartment with western exposures in the Tower at 15 Central Park West. This spacious unit features an open chef's kitchen with marble counters and top-of-the-line appliances by SubZero, Miele and Wolf, herringbone hardwood floors, marble baths, generous closets and high ceilings.

Residents have access to luxury amenities including a restaurant with in-home private dining service, 14,000 s.f. fitness center with 75 foot sky-lit lap pool, wine rooms, business center, private screening room, game room, outdoor terrace, and a full staff to meet the living standards and comfort level of every resident. Designed by renowned architect Robert A.M. Stern, Fifteen Central Park West is one of only a few limestone buildings to join the city skyline in a hundred years. Fifteen Central Park West presents a distinguished level of residents-only service, space and privacy.
