

Corner Four-Bedroom at 15 Central Park West

15 Central Park West, Apt. 8A

First offering of the rarely available “A” line in the House at 15 Central Park West, with unobstructed views of Central Park and Columbus Circle. This 4,565-square-foot, corner home has four bedrooms, a library, a family room off the gourmet kitchen, and a formal dining room. The gracious entry foyer leads into the corner living room with dual exposures providing beautiful views of Central Park to the east and Columbus Circle to the south. Beside the living room is the library, and off the other side of the foyer is the formal dining room. The expansive, chef’s kitchen has just undergone an extensive renovation. The kitchen features polished statuary marble counter tops, Bulthaup kitchen cabinets, and a 71” wide Lacanche range. The kitchen encompasses a dining area as well as a large den.
